

NOMAD OVERLAND ADVENTURE TOURS - 2018

Activity Package = The activity package is an optional payment that covers the most sought after activities on an itinerary. The AP can be prepaid when booking your tour or you can pay your guide on the first day of your tour. If you choose not to take the Activity Package, you can still book these activities while you are on tour, however they are then subject to availability so it is strongly recommend that you prebook the package.

RESERVATIONS: central.res@africantravel.com

Green Seat = Offset your carbon footprint by purchasing a "Green Seat". This is an effort to give back to Africa. Nomad Tours have founded not only a non-profit Trust to preserve and uplift the people, places and animals of this continent, but we are also the first in the Adventure Touring Industry to offer passengers the opportunity to offset their carbon footprint.
