WINDHOEK-CAPE TOWN

Special

Travel on this all-inclusive six-night journey from Namibia's highlands across the Kalahari Desert to South Africa's Great Karoo and Cape Winelands and get a flight from Johannesburg or Cape Town to Windhoek

HIGHLIGHTS Depart from **Windhoek**, an attractive city surrounded by clusters of hills and the impressive Avas and Eros Mountains situated in Namibia's central highlands. • Traverse the expansive **Kalahari** semi-desert with its golden grasses and hardy acacia trees. • View the **Fish River Canyon** – the largest canyon in the Southern Hemisphere and probably only second to Arizona's Grand Canyon in terms of size. The Fish River rises in the centre of Namibia before flowing south into the Orange River on Namibia's border with South Africa. • Visit **Augrabies Falls National Park** on the banks of the Orange River. Here, the mighty Falls occupy a section of the river where it narrows and plunges 56m through a deep, 18km granite gorge. • Traverse the **Karoo**, a vast semi-desert region that was once an enormous inland sea. • Visit the quaint Victorian village of **Matjiesfontein** with its platform museum and collection of historic cars and railway carriages. • Trundle through the picturesque **winelands** of the Western Cape before arriving at journey's end in the **Mother City**, Cape Town.
