## Day 1

On arrival into Maun airport, a representative holding a signboard with your name will meet and welcome you. They will provide you with your Safari Air ticket and accompany you through to security.

A Safari Air porter will then escort you to the light aircraft for your private charter flight to Shinde Enclave. Upon arrival at the private airstrip you will be met by your guide who will transfer you on an open safari vehicle to camp

After camp orientation and settling in you can head out on your first safari activity

### Shinde Enclave Accommodation

Each tent comprises of a large bedroom, en suite bathroom with indoor and outdoor shower. There is the choice of either a double or twin bed configuration on comfortable three quarter, extra length or king sized beds. Every possible comfort has been catered for from full solar electricity, standing and ceiling fans through to yoga mats and hair dryers!

Families have the choice of being accommodated in a custom build two bedroom shared en suite bathroom family tent sleeping a maximum of 5 people.

## Day 2 & 3

This intimate hideaway offers guests the services of a private waiter and housekeeper as well as their own professional guide and game drive vehicle.

Situated in the Shinde Private Concession, Shinde Enclave offers a choice of land and water based activities and is home to an abundant population of predators, notably the leopard.

Activities include morning and afternoon game drives in open safari vehicles, with night drives being conducted after the evening meal. Alternatively climb aboard a Mokoro with a 'poler' and enjoy exploring the Okavango Delta's tranquil waterways. Motorboat trips, walking and fishing are other optional activities, all to be planned and taken with your private professional guide.

### Shinde Enclave Activities

Shinde Enclave is situated on a private concession which allows guided walks, Mokoro excursions and night drives in addition to game drives and motorboat trips. Shinde Enclave's excellent location in the Okavango Delta ensures a combination of permanent water access for year round water activities and large dry areas for game drive routes.

This blend of environments provides the habitat for a consistently wide variety of wildlife, including the elusive sitatunga antelope and a healthy population of lion. Fishing is available throughout the year (with the exception of January and February), with excellent bream fishing from May to September and superb chances of landing tigerfish during September to mid November.

This area offers an exclusive hideaway and perfect location from which a family or small group of friends can explore the Okavango Delta.

## Day 4

After breakfast and a morning activity (time permitting) you will transfer by plane back to Maun for your onward flight.
