Ref.: NO.MOH/WA/J.20/7.....

DATE: 03 FEB, 2011

Director General,
Zanzibar Commission for Tourism
Zanzibar

Dear Sir,

Re: YELLOW FEVER

Reference is made to our letter dated 26th January 2011 with reference number MOH/WA/J.20/8 regarding yellow fever vaccination certificate. Please be informed this letter supersedes the previous letter due to the correction made.

With this regards, we kindly request you to inform all stakeholders in the tourism and travel industry that all arrivals from endemic countries including Africa and South America must be vaccinated against yellow fever and show the certificate at the point entries in Zanzibar. Direct arrivals from non endemic countries in Europe and North America are not required to show the certificate but are highly recommended to take shots against yellow fever for own safety. We anticipate your full cooperation in this regards

Sincerely Yours

Juma R Juma
/Principal Secretary
Ministry of Health, Zanzibar
